

BLOCK & REPAIR ADDENDUM

Overview of Services: Tradebloc Inc. will initiate contact with all creditors requested by the client along with the three major credit bureaus: Experian, TransUnion, and Equifax. Tradebloc will negotiate with these entities in good faith to ensure that negative reporting does not occur on the client's credit reports.

If the above creditors place a negative mark on the client's credit report, then Tradebloc will perform Credit Repair on those negatives with all three major credit bureaus: Experian, TransUnion, and Equifax to have them removed.

Disclaimer: In no way can Tradebloc predict or determine an outcome or a result you may receive from our program. Our responsibility is to perform the tasks above in accordance to your rights and the law.

Clients are advised not to enter any real estate transaction for at least six months after signing the addendum. This process will prevent the approval of any mortgage loan or refinance from being underwritten. Clients are still obligated to pay all contractual obligations as agreed.

Authority to Sign on Your Behalf: I am the signer below and I hereby grant Limited Power of Attorney to Tradebloc Inc. All persons in their employ shall have the necessary power and authority to order a credit report, and/or sign my name on all documents filed and written on my behalf for the sole purpose of resolving any credit report issues for said individual(s) below. Client can cancel this LPA anytime by written request to Tradebloc.
